

## SLO City Private Sewer Laterals - Date to use when determining if an inspection is needed:

City of SLO Sewer Lateral Portal: <https://www.slocity.org/government/department-directory/utilities-department/wastewater/wastewater-collections/sewer-lateral-portal>

Once the intended sewer lateral has been found on the Sewer Lateral Portal, click the sewer lateral depiction in the portal, and the below information window will appear. In the informational window, please reference the **Install Date** when determining if an inspection is needed.

The screenshot displays the SLO City Sewer Lateral Portal interface. At the top, there is a navigation bar with 'SERVICES' and 'BUSINESS' tabs, a search icon, and a yellow button labeled 'I WANT TO...'. Below the navigation bar is a map showing a street grid with several sewer laterals highlighted in green. A pop-up information window is overlaid on the map, displaying the following details for a specific sewer lateral:

AssetID	5053
Location	873 CHORRO
